

Juiced with Zeus™ Quick Reference Guide

This guide is meant to give a quick overview of the Zeus Run-Time distribution agreement. It is not, however, a replacement for the actual agreement document. Please contact Zeus Productions at 908-398-1682 if you have any questions regarding this agreement and the use of the Juiced with Zeus logo.

Q: Who needs to comply with the Juiced with Zeus logo requirements?

A: Any user who creates, or causes to be created, a Product that requires Zeus Run-time Software and distributes it beyond the single computer for which the primary Zeus Software has been licensed must obtain a run-time license. A Run-Time Distribution Agreement is not required if the End-User product is used internally within the purchaser's workgroup of less than ten people, but is required for distribution to the company at large, or a sales force. Each use of Zeus Run-time software counts towards your license limit of five (5) distributions.

Q: What steps are involved?

1) Complete, sign and return one copy of the Run-Time Distribution Agreement (RunTime.pdf) and either Exhibit A (ExhibitA.pdf) or Exhibit B (ExhibitB.pdf). Exhibit A is for most products that make use of Zeus Run-time software and require full logo markings and Exhibit B is for products that qualify for limited, software only, markings. Exhibit B may be used only with prior approval of Zeus Productions. The agreement becomes effective upon receipt by Zeus Productions. For multiple products or future products, you need only fill out and return an additional copy of Exhibit A or B. Each additional copy of Exhibit A or B will become effective upon receipt by Zeus Productions.

2) In general, you need to place the Juiced with Zeus logo on the outside of the packaging, within any printed documentation, and on the credits screen within the software. See Exhibit C for detailed size and location guidelines. If you qualify for limited marking, you must place the Juiced with Zeus logo on the credits screen only within the software guidelines outlined in Exhibit C.

3) Incorporate the following trademark and copyright statement into the copyright and/or credits screen of the end-user product, including any printed or electronic documentation:

productName™ Copyright © 1996-1997 Zeus Productions. All Rights Reserved.

4) Send two (2) copies of the final packaged end-user software within 30 days of shipment to:

Franklin Park, NJ 08823-0223 USA
